

In re Appln. Of Shulman et al.
Serial No. 08/863, 822

53 modified in response to the receipt of an indication that a
commit key has been activated.

54 Claim 28. (Amended) The computer-readable medium of
claim 52[17], wherein the representation of the selection is
received in response to the activation of a commit key.

Please cancel **claims 1-3, 5-16, 18, 31 and 33-51** without
prejudice.

REMARKS

In the application claims 17, 19, 20, 26-30, 32 and 52
remain pending. Claims 1-3, 5-16, 18, 31 and 33-51 are being
canceled herewith while claim 4 has been previously canceled.
Claim 52 is being added by amendment. The pending claims
have been amended in keeping with the previously filed, un-
entered amendment submitted after final.

These amendments are being submitted in response to the
Advisory Action mailed on August 18, 1999 wherein the
Examiner indicated that "claims 17, 19, 20, 26-30, 32 and 52
would be allowable if submitted in a separate, timely filed
amendment canceling the non-allowable claims." Thus, in
accordance with 37 C.F.R. § 1.116(a), it is respectfully
requested that the requested amendment canceling claims 1-3,
5-16, 31 and 33-51 be entered of record and the remaining,
pending claims be passed to issuance. If, in the opinion of
the Examiner, a telephone conference would expedite the
prosecution of the subject application, the Examiner is
invited to call the undersigned attorney.
